

The Struggle Is Real:
 Tasks, Academic Status and Productive Problem Solving

Geoff Krall | @geoffkrall | emergentmath.com | gmkral@gmail.com

Driving Question: How do we promote productive struggle to students who've been conditioned otherwise?	Notes
Give tasks the promote curiosity	
Invite reflection , especially written reflection	
Prepare students for problem solving	
Keep record of what students know, not what they're assessed on	
Assign academic status	
Give tasks that promote access
